BIRDS OF PARDOO STATION

Number 04b in a series of
Bird Guides of Western Australia

WHAT IS BIRDS AUSTRALIA?

Birds Australia's national organisation is for the study, preservation and enjoyment of Australian birds. The WA group of Birds Australia has over 800 members statewide with a wide range of activities and services for members.

Programs include excursions, camp-outs, bird surveys and social activities. We have a library, books for sale and information about birds. To view our complete range of bird guides and bird lists, visit our web site.

The Birds of Pardoo Station

There are many good birdwatching habitats on Pardoo Station, including bush around the homestead, Freshwater Soak, Pardoo Creek, Banningarra Creek, the ocean and islands. See the map available at the Pardoo office. Please report any unlisted sightings to Pardoo Station or send to the WA office of Birds Australia.
