This list has been prepared from records of J.R.Masters 1976-1993 and the Toodyay Naturalists Club, updated by Birds Australia WA to 2001.

WHAT IS BIRDS AUSTRALIA?

Birds Australia's national organisation is for the study, preservation and enjoyment of Australian birds. The WA group of Birds Australia has over 800 members statewide with a wide range of activities and services for members.

Programs include excursions, camp-outs, bird surveys and social activities. We have a library, books for sale and information about birds.

To view the full range of bird brochures and bird lists, visit our web site.
