Birds of Norseman

Number 34b in a series of
Bird Guides of Western Australia

This is a record of bird sightings within a 50 km radius of the Norseman township and the Peak Charles area.

Please report sightings of birds not on the list to the WA group of Birds Australia (address below).

WHAT IS BIRDS AUSTRALIA?

Birds Australia's national organisation is for the study, preservation and enjoyment of Australian birds. The WA group of Birds Australia has over 800 members statewide with a wide range of activities and services for members.

Programs include excursions, camp-outs, bird surveys and social activities. We have a library, books for sale and information about birds.

To view the full range of bird brochures and bird lists, visit our web site.
