

Breeding Records

By retaining the present wetlands and remnant bushland we are hopeful that they will continue to provide a habitat for over 45 species that are known to breed here.

Pink-eared Duck

Australian Grebe

Birds and Reserves of the City of Bayswater

SAMPLE PAGE ONLY
This bird guide is an 18 page booklet, containing maps, bird identification images and a bird list. A full copy of the guide is available from the City of Bayswater or from the office of Birds Australia WA.
